Brief Description of Project

The tables and chairs used by CARE and other community organisations such as the church at outdoor events are now needing replacement as they are becoming old and unsafe. The project proposes buying 10 round tables that can fold away and 40 chairs that can stack. These will be stored in the pavilion or in the new field store. They will be used at events such as the Flower Festival, Village Fete and CARE village events such as rounders and fireworks. Details of the tables and chairs are as follows:

[:http://www.strictlytablesandchairs.co.uk](http://www.strictlytablesandchairs.co.uk) Round Plastic Folding Banqueting Table - 4' (122cm) and <http://www.nisbets.co.uk> Bolero Aluminium Stacking Chairs

How will the success of the project be measured? By greater use of the equipment in community events and the avoidance of any H&S issues or accidents due to the age of the previous ones.
